News regarding data publication on the Transelectrica website, section Transparency / Daily reports in 15 minutes resolution

„Given that at the level of the European transparency platform of ENTSO-E the reconfigurations necessary for the publication of market information at 15 minutes resolution have not yet been completed by the platform administrator, we inform the market participants that the estimated price / prices of imbalance on the Balancing Market are published on the website www.transelectrica.ro, together with the other daily information that ensures the transparency of the markets operated by TSO. Please access the Transparency section / Balancing and Ancillary Services / Point 22 of the table and follow the link to the Daily Reports section. Starting with 01.02.2021, the data are available in the Excel file on the right of the page, in the ImbalancePrices_Pret dez sheet (<https://www.transelectrica.ro/ro/web/tel/387>). We will keep you informed about the evolution of the configurations on the European transparency platform.”
