Announcement regarding the unavailability of the Balancing Market computer system on October 19th, 2021

Please be informed that due to technical problems during IT maintenance, the Balancing Market system is unavailable since 18th October 2021, 16:30 EET. As a consequence, please be informed that:

- daily auction on Bulgarian border is suspended for 20th October 2021;
- intraday auctions are not available for the moment. We estimate resumption of the process around 15:00 EET;
- daily auctions for balancing capacity will be available around 16:00 EET;
- scheduling, availabilities and daily offers on Balancing Market will be sent by e-mail tsoplan@transelectrica.ro and uploaded into the system when it will be technically feasible.

For additional information please contact us on the phone no: +40213035823 / +40213035638.

We apologise for any inconvenience caused.
